CLAREMONT MCKENNA COLLEGE

## Call for 2020 Summer Internships

CMC Students are bright, ambitious and sponges for learning. They work hard and can make a difference for your business. CMC is looking for summer positions in **all industries, positions and geographies, from start-ups to Fortune 100**. The internship job hunt is well underway; for best results get your internships posted now!

The positions are usually paid (from minimum wage on up) and there is ***potentially funding available***, so don't let a lack of funding deter you. The key commitment is that sponsors will invest the time to help students learn their business and make a contribution. No formal internship program is required.

For more info or **to post an internship please register on this link:**  
<http://bit.ly/2vLdBm8> or email Anne Sinek P'22 at [annesinek@gmail.com](mailto:annesinek@gmail.com).

The CMC Career Services Staff will help you post your position on Handshake (the system students use to find jobs) and will also match students to your company based on their "career interest clusters" below:

Accounting & Financial Services	Medicine, Healthcare & Biotech
Consulting	Science & Environment
Creative & Entertainment	Non-profit & Education
Government, Law & Public Policy	Technology & Entrepreneurship

Please post as soon as you can for best results.

Thank you,

Anne Sinek P'22, Parent Network Board Internship Volunteer ([annesinek@gmail.com](mailto:annesinek@gmail.com))
